## **A Decade of Excellence**

Can you believe it? Rosaria Centre athletics/recreation facilities have been open for 10 years. And what a great 10 years they've been! We've been successful in capturing 21 provincial championships and have been very competitive nationally.

Participation has steadily grown in all of our programs. We've had some truly committed athletes over the years — people like YOU!

So to celebrate our tenth year of excellence in these facilities, we invite you to come back to your alma mater. A volunteer committee has put together a program of fun and light-hearted competition for the weekend of February 8 and 9. We've even booked a "tournament hotel", just for old times' sake!

Take just a minute now, to fill out the registration form and let us know you'll be here, to help celebrate our Decade of Excellence.

Want more information? Call the Athletics/Recreation Office at (902) 443-4450, extension 152.

P.S. Check with your former teammates to make sure they've received this invitation — it's hard to keep track of addresses and name changes over a 10-year period!
